

Pacheco Neto Sanden Teisseire Advogados / PNST is a full-service law firm with a focus on business law, experience in a diversity of cultures and clients from more than 20 countries apart from Brazil, specially in Germany, France, the Scandinavian countries, the United States of America and China.

Intercultural Experience We understand the laws that apply to your business and comprehend how they relate to your country to better define strategies that will put your company in the best position in national and international negotiations.

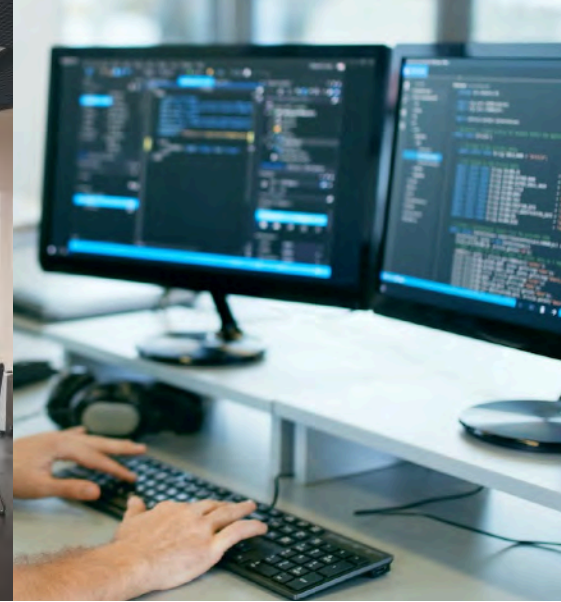

Insertion We have a relevant role in the most prestigious International chambers of commerce and international alliances. Our head offices are located in the Jardins neighborhood in Sao Paulo, and we count on strategic partners in Rio de Janeiro, Brasilia and the interior of the State of Sao Paulo.

People Since its birth in 1999 the office gathers people with exceptional talent and the ability to communicate in several foreign languages to best support its clients in a personified approach that never strays away from the best legal technique.

Multiculturalism, clarity in the response to the client, and cutting-edge legal technique are the pillars of PNST Advogados.
